P. C. No. 74-3 Dated 31st May 1922 Received 6.6.22

Diary No. 7264	Enclos. 1	Spare Copies. —	Serial No. 10

BRIEF ABSTRACT OF LETTER.

~~Forwards~~ Solicits orders of Government in the matter of the Complaint against Mrs. M. J. Whale, Lady Medical Officer, Vani Vilas Hospital, Mysore, alleging that she is using her official quarters as a Boarding House.

NOTES AND ORDERS.

Submitted for orders. Mrs. Whale does not seem to admit the truth of the allegation as stated in para 2 of the P. C. She only explains the circumstances under which she allowed some visitors to occupy some rooms in her quarters when they were steamed in Mysore.

1/ So long as the officer occupying free quarters provided by Govt actually resides in those quarters and is available for duty at all hours, it is not clear how we could possibly take exception to her admitting casual visitors or paying guests occasionally. No action appears therefore called for.

Rev. Secy.) 11/6/22

3 It appears undesirable that Govt officers who are given free quarters, should use any portion of such premises for purposes of profit.

4 It would, of course, be unobjectionable to put up one's guests. If they be "paying guests", they should be few & rare, for the line that divides a house for "paying guests" from a hotel or boarding house is thin & sometimes imaginary.

5 In the present case, the occupation of the officer's husband is one that can easily lead to abuse of a privilege to put up "Paying guests" in a Govt building.

6) 2 Encls. — Secy. 14/6

No objection if they have no work during hours & maintain, but paying guests should not be allowed.

SIR,

I have the honour to state that on receipt of an anonymous petition (copy enclosed No.I) complaining that Mrs. M.J.Whale was using her official quarters as a Boarding House, I sent the same to the Lady Medical Officer, for her information and report.

2. In her report (copy enclosed No.II) she not only admits the truth of the complaint but also seeks to justify her action on the ground that her quarters are situated outside the hospital premises and that she has forfeited(?) an allowance of Rs.50/-.

3. Official quarters are generally provided for Medical Officers either within or near the premises of the institutions to which they are attached, on the ground that the service of such officers should be available at the institution at all hours. As such, it is compulsory (and not a matter of option) on the part of the officers to occupy the official quarters. It is only where such quarters are not available, the officers

I Anonymous Petition dated 8th May 1922.

I wish to know if Government dwelling houses given to officers could be made into boarding houses. The reason for my asking is this, viz., the Lady Doctor of the Vani Vilas Hospital has been given quarters for her to live in and her husband is the caterer of the Travellers' Bungalow. How, if the Travellers' Bungalow is full of passengers, is the caterer allowed to put passengers, in the lady doctors' quarters, feed them and take their boarding and lodging charges.

2. I f you could kindly answer my letter in the Daily Post, I shall most gladly give you the names of the ladies and gentlemen who put up at the lady doctor's quarters and then you can write to these people and find out the truth.

II. With reference to your No.P.C.74-1 dated 18-5-22, I have the honour to report that the writer of the anonymous letter is scarcely accurate when he states that my bungalow has been turned into a boarding house. I have only one suite of rooms available for my relations and friends and this suite I have, on two or three occasions, placed at the disposal of visitors on their way from Ooty to Bangalore when they were stranded in Mysore. As the Travellers Bungalow was full and they were unwilling to go to the Savoy Hotel because of its reputation for being dirty and ill kept, they were given accommodation for the night their meals being supplied and served at the Travellers' Bungalow.

Surgeon General Giffard was one of those who arrived at night without having previously booked a room and had he wished to go to the Savoy Hotel, my rooms would not have been placed at his disposal nor of any of the few others who were stranded in Mysore.

My quarters are outside the Hospital premises, and moreover, by order of Government, I have forfeited an allowance of Rs.50/- per month for house rent by occupying these quarters, so I shall be l..
